DFMS BRAND NAMING CAMPAIGN

Name It. Win It.

`https://yourbrand.com`

DFMS, our Distribution and Fleet Management Platform, is growing into a global product. It needs a name and a .com domain that can carry it there. Propose up to three.

THE PRODUCT

The Engine Behind Every Delivery

A cloud platform that plans, runs and tracks transport, fleet and distribution across factories, depots, warehouses and ports. It replaces Excel sheets, WhatsApp groups and paper delivery slips with one source of operational truth.

PLAN			MOVE			VERIFY & CLOSE		
Product Requisition Depot / sales	Transport Requisition Distribution	Transport Order Transport planner	Trip Driver or vendor	Gate & Scale Yard team	Load / Unload Command center	Quality Check QC inspector	Proof Of Delivery Driver	Costing Finance

NAMING GUIDELINES

What Makes A Qualified Name

Relevant
Hints at distribution, fleets, routes or supply chain.

Unique
Not close to an existing brand in sound or spelling.

Memorable
Short, easy to say and spell after hearing it once.

Brand-Ready
Works on an app icon and a banner, in any country.

Must-Haves

- ✓ .com is unregistered
- ✓ No client names
- ✓ Not for resale or premium
- ✓ **No Bangla or local words**
- ✓ One word, or two combined
- ✓ Works in any country
