BRAND NAMING CAMPAIGN

Name the platform that moves the goods.

`https://your-idea.com`

DFMS, our Distribution and Fleet Management Platform, is growing into a global product. It needs a name and a .com domain that can carry it there. Propose up to three.

THE PRODUCT

What you are naming

A cloud platform for companies that move goods, with their own trucks or hired vendor trucks. It plans every delivery, tracks vehicles live, checks the goods at loading and at the door, and works out what each trip really cost.

Multi-tenant by design, for distributors, manufacturers and 3PL providers in any market.

Distribution Requests to orders to trips	**Live tracking** GPS, geofences, points of interest
Vendor marketplace Bidding, trucks and invoicing	**Quality checks** At loading and delivery, offline
Fleet health Fuel, maintenance, workshops	**Cost & intelligence** Costing, ERP, KPIs, AI routing

NAMING GUIDELINES

What makes a qualified name

Relevant
Hints at distribution, fleets, routes or supply chain.

Unique
Not close to an existing brand in sound or spelling.

Memorable
Short, easy to say and spell after hearing it once.

Brand-ready
Works on an app icon and a banner, in any country.

Must-haves

- ✓ .com is unregistered
- ✓ One word, or two combined
- ✓ Not listed for resale or premium
- ✓ No client names or single-country ties
